

ESSENTIAL

memiderm

SMOOTH & NOURISH,  
BRING BACK A YOUTHFUL SKIN APPEARANCE.

PANESTETIC  
FUTURE FOR BEAUTY™

## Two technologies, one device.

The **winning combination** of technologies is fundamental to offer **complete, effective and attractive** treatments. **Memiderm** provides a **deep hydration and rejuvenates the skin making it glowing, bright and soft**. It improves the condition of wrinkles, pigmentation spots, stretch marks and scars. It provides a specific action on the eye contours and diminishes bags and dark circles.

**Memiderm is the innovative and versatile solution of the Essential Line developed by Panestetic Technology.**

Unique **Beauty Breakthrough** that allows you to perform many different treatment protocols for every need.

**Thanks to the excellent exfoliation treatment, Memiderm is the ideal preparation treatment before any other beauty procedure.**

**Memiderm** prepares the skin and makes it perfectly receptive to the following beauty procedures thanks to the combination of **vacuum suction** for tissue regeneration and the **microdermabrasion** performed by the diamond tips.

**Memiderm** is also equipped with the **mesoporation** technology with well-known proven effectiveness used also in the medical sector. Mesoporation is a new, efficient technique for faster and deeper penetration of the cosmetic serum applied during the treatment.

# Memiderm actions are fast and painless and assures numerous benefits:

## MESOPORATION —

DEEP HYDRATION

GIVES IMMEDIATE FIRMNESS AND BRIGHTNESS

DIRECT PENETRATION OF THE FUNCTIONAL SUBSTANCES, AMPLYFYING THE RESULTS ON THE SKIN BLEMISHES

## VACUUM —

STIMULATES THE CIRCULATION AND FAVOURS A BETTER OXYGENATION

IMPROVES THE DRAINAGE AND DIMINISHES BAGS, DARK CIRCLES

ACCELERATES SKIN REGENERATION

ACCELERATES THE CELLULAR METABOLISM AND INCREASES THE TURN-OVER

## MICRODERMOABRASION —

REMOVES IMPURITIES, DEAD CELLS AND PROVIDES AN EFFECTIVE ANTI-AGE EXFOLIATION

DIMINISHES WRINKLES, SCARS AND STRETCH MARKS

LIGHTEN THE SKIN FOR A WHITENING EFFECT

The **Memiderm** treatment is maximized with the combination of **products** designed by Panesthetic for **facial and body treatments** for a deep penetration with mesoporation. The products are available in **water-soluble serums** with high skin affinity, **without perfumes and dyes**.

TECH COSMETICS

## FACIAL PRODUCTS

Elisir

10x  7 ml

Lifting effect serum with restoring and soothing action. Contains hydrolyzed GAG which help the synthesis of endogenous hyaluronic acid with low molecular weight for an incredible hydration. It contains also Marrubium Stem Cells which reduce the damages caused by photo aging and environmental stress.

Beauty Vital

10x  7 ml

Anti-age serum with filling and revitalizing effect. Contains hydrolyzed GAG which help the synthesis of hyaluronic acid with low molecular weight and Enchinacea Stem Cells which have energizing and revitalizing actions.

## BODY PRODUCTS

Fosfacell

10x  10 ml

Cocktail of active principles to counteract the imperfections caused by cellulite. Contains Lecithin, which acts against localized fat, and Caffeine, Centella Asiatica Stem Cells, Carnoxyn (powerful Carnitine) which stimulates the metabolism of fat.

Fosfaslim

10x  10 ml

Intensive reshaping treatment ideal to detox the tissues and to counteract the localized fat. Contains Lecithin, Carnoxyn which stimulates the metabolism of fat and favors the cellular respiration with toning and firming properties.

E-Tonic

10x  10 ml

Firming and toning gel. Contains hydrating substances (Sorbitol, Sodium PCA) which gives a deep hydration, promotes the penetration of the active ingredients and help the drainage of the interstitial liquids. It contains also Ginkgo Biloba extract and Ginseng extract.

## Lifting kit

BIOCELLULOSE MASK + BEAUTY VITAL SERUM

5x  7 ml + 5x 

Highly recommended after the treatment of dermabrasion, the Lifting kit is composed by two products very effective for a complete non-invasive lifting and anti-wrinkle treatment: the serum to use with mesoporation and the biocellulose mask.

The active ingredients of the Lifting Kit have been studied and tested to provide immediate brightness, tone and compactness.

The Lifting kit favors the natural process of skin repairation, gives a deep hydration and regenerates the layers of the epidermis.

**Panestetic**, certified ISO 9001 and ISO 13485, **is a leading Italian manufacturer** of aesthetic and medical devices since 1984.

Thanks to the great experience gained in the research and development of new technologies and devices, the company has developed a range of professional cosmetic products to work in synergy with beauty machines, boosting the effects in terms of performances and more visible results.
