**Linfodrainer by Panestetic is a new interpretation of the traditional lymphatic drainage,**

**with the possibility of creating customizable treatments depending on the needs of each customer such as cellulite, swelling and water retention.**

The three hand pieces adapt to every part of the body through a rhythmic suction and decompression system for an effective and draining effect.

Drainage with delicate and pleasant massages; Linfodrainer detoxes the body and removes excessive liquids, restoring the harmony of the contours.
