GLOBAL BEAUTY EXPERIENCE

PANESTETIC
FUTURE FOR BEAUTY™

**Draw volumes and contours.
Model in a harmonious way.
Rediscover authentic forms, to feel good in
your own skin.**

Nothing is impossible when the goal is to help you rediscover the outline of your body and face, acting simultaneously on silhouette and skin tone to achieve authentic results in the name of individual well-being and beauty.

4Shape+ by Panestetic is the product of the Italian history of a company that for over 30 years has believed in quality in every aspect, from research to production.

Not just one solution but many tailor-made treatments, to be created and combined into paths that are personalized and unique. Just like each and every one of us.

4Shape+ is the beauty answer to every need:

- VISIBLE RESULTS
- PLEASANT AND PAINLESS TREATMENTS
- EXCLUSIVE PROTOCOLS
- MULTIPLE (FACE AND BODY) TREATMENTS IN ONE DEVICE
- EASY TO USE
- MADE IN ITALY TECHNOLOGY

MANY TREATMENTS, ONE MACHINE

For body

DYNAMIC DRAINAGE

Three types of drainage depending on the treated tissue.

MESOPORATION

Needle-free active ingredient delivery for an effective and painless result.

SHAPING WAVE

new with double handpiece

Direct action on localized adiposity, cellulite and edemas, thanks to the mechanical effect of the energy wave pressure force.

BIORADIOLIFT FOR BODY

Visible lifting effect in areas affected by atony and elimination of superficial liquids.

For face

MESOPORATION FOR FACE

It effectively delivers the functional substances, amplifying the results on imperfections.

BIORADIOLIFT FOR FACE

To stimulate the production of collagen, improve tone and obtain a lifting effect.

DYNAMIC DRAINAGE

Thanks to a system of suction and rhythmic decompression, it ensures an effective and relaxing drainage.

The modular function of 4Shape+ can be used in a combined or in a specific way, creating multiple effective treatments that benefit profitability.

Panestetic, certified ISO 13485, is a leading **Italian manufacturer** of aesthetic and medical devices since 1984.

Thanks to the great experience gained in the research and development of new technologies and devices, the company has developed a range of professional cosmetic products to work in synergy with beauty machines, boosting the effects in terms of performances and more visible results.
