THE NEW
FRONTIER OF
LASER EPILATION

PANESTETIC
FUTURE FOR BEAUTY™

THE FIGHT AGAINST
UNWANTED HAIRS HAS FINALLY
FOUND THE PERFECT ALLY:
DELIGHTER 2000W

**A TRUE REVOLUTION
IN THE WORLD OF
LASER EPILATION**

MAXIMUM EFFECTIVENESS

MAXIMUM SAFETY

MAXIMUM COMFORT

Delighter 2000W guarantees high performance results even in the most difficult cases, **all in complete safety and without sacrificing comfort** during the session.

Delighter 2000W
allows treatments on limited
areas or **total body**.

Its revolutionary action is **ideal for men and women, for all phototypes** (even on tanned skin) and for any hair colour and density, even fine and blond hair.

UNWANTED HAIRS!**

**PERMANENT
EPILATION**

**WHY CHOOSE
LASER HAIR REMOVAL WITH
DELIGHTER 2000W?**

FAST

Reduced session times, even in case of large areas.

**POWERFUL AND
HIGH-PERFORMANCE**

High power and dual wavelength of 808+1064nm for effective results even in the most difficult situations.

COMFORTABLE ON THE SKIN

Innovative cooling systems and **short pulse duration** to make the treatment pleasant.

SAFE AND RELIABLE

Manufactured entirely in Italy, in conformity with all legal regulations.

Choose **DELICE** soothing post-photoepilation emulsion to continue treating your skin at home.
