

IALUPURE

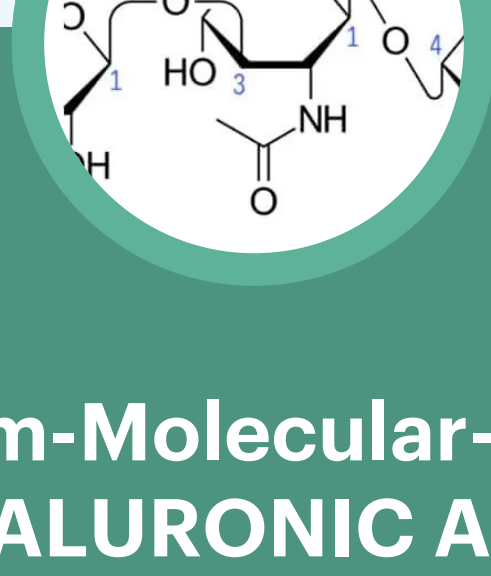

INTENSE HYDRATION, AS LIGHT AS WATER

SORBET CREAM

A fresh, silky face cream with a sorbet-like **texture that absorbs quickly**, designed to provide **deep hydration without feeling heavy**. Perfect for those who don't like rich creams, for combination or men's skin, and for any situation where the skin needs immediate comfort and rebalancing. **It helps maintain the proper level of hydration and has a purifying and balancing effect**, counteracting shine. It provides a pleasant sensation of freshness and comfort, **leaving the skin hydrated, smooth, and with a long-lasting silky finish**.

ACTIVE INGREDIENTS

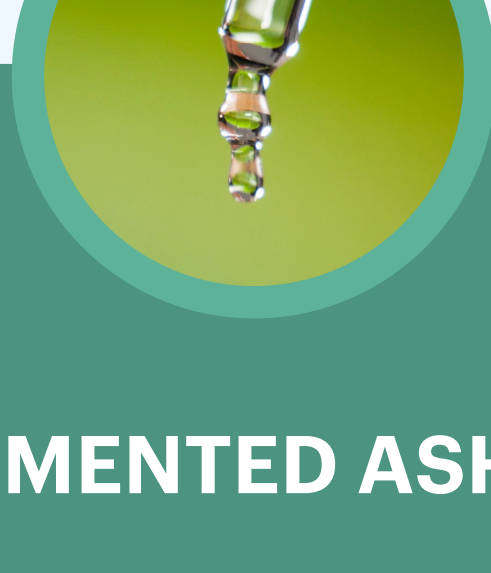

Medium-Molecular-Weight HYALURONIC ACID

It replenishes the skin and retains large amounts of water for long-lasting hydration.

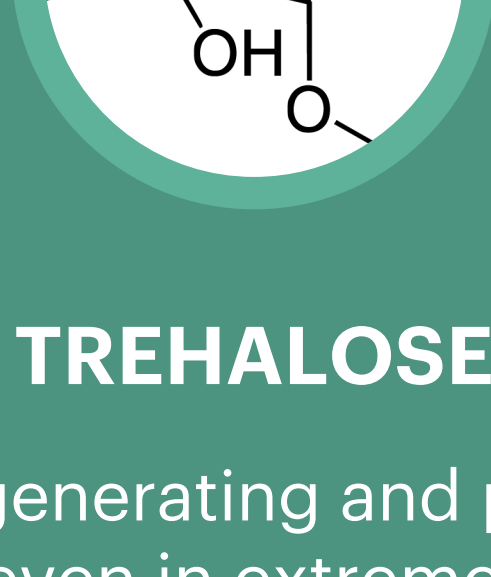

SICILIAN PRICKLY PEAR EXTRACT 100% Made In Italy

Obtained through an enzymatic treatment to enhance its hydrating and protective properties.

HYPERFERMENTED ASH EXTRACT

It has hydrating properties and enhances skin cohesion, protecting cells from osmotic stress.

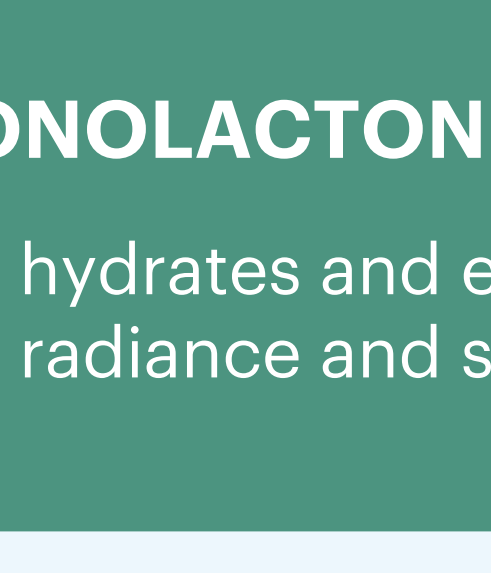

TREHALOSE

A biotech sugar with regenerating and protective properties that helps maintain hydration even in extreme environmental conditions.

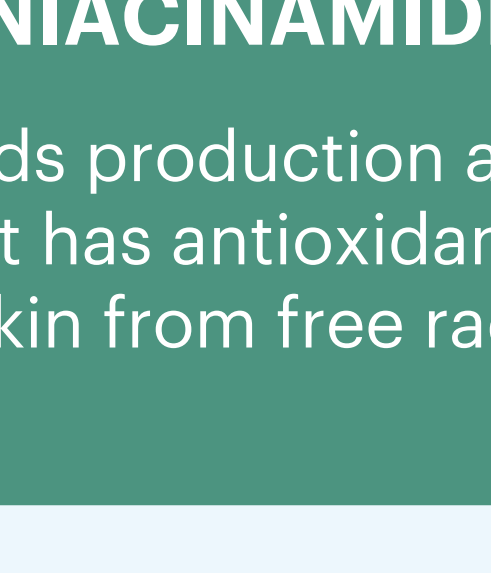

PREBIOTIC COMPLEX

It promotes the growth of "good" bacteria, strengthening the microbiome and the skin's protective barrier.

GLUCONOLACTONE (PHA)

It gently hydrates and exfoliates, improving radiance and skin texture.

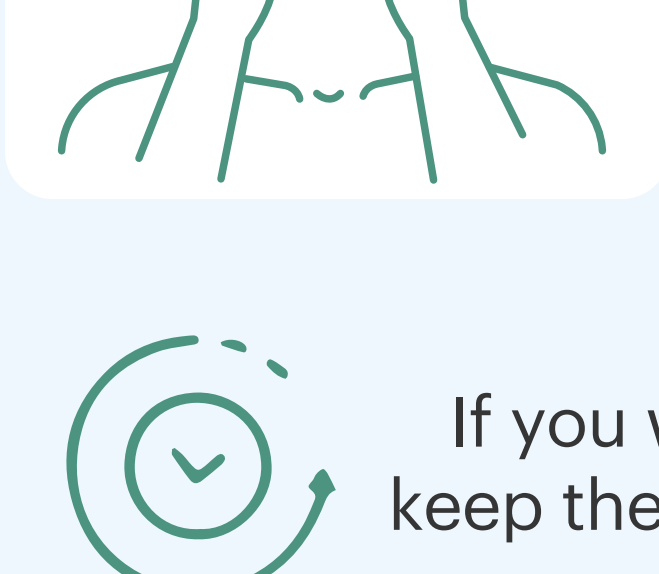

NIACINAMIDE

It stimulates lipids production and the formation of collagen and elastin. It has antioxidant properties and protects the skin from free radicals.

HOW TO USE

Apply in the morning and in the evening to cleansed **face, neck, and décolleté**, and massage until fully absorbed.

For best results, apply with open hands using linear motions, starting from the sides of the nose and moving outward with upward movements.

If you want to increase the refreshing "mojito" sensation, keep the bottle in the **refrigerator** for 10 minutes before use.

BEAUTY TIPS AND PLUS

Sensory Experience

A fresh fragrance inspired by mojito, with notes of citrus, mint, and wood

An **ultra-light texture** perfect for those who don't love rich creams and for men's skin

Ideal even in the hottest seasons thanks to its special, **fast-absorbing, refreshing texture**

Silk Effect perfect as a makeup base thanks to its light, smoothing texture

AIRLESS TECHNOLOGY

Airless technology prevents the cream from coming into contact with air and other external agents. By protecting the formula from contamination, it prevents oxidation and preserves the active ingredients, thereby enhancing their effectiveness.

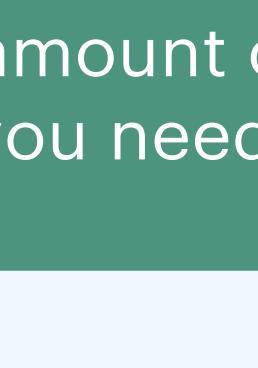

LESS WASTE:

No residual product in the bottle—you use it all.

OPTIMAL STORAGE:

longer-lasting product effectiveness.

USE ONLY THE RIGHT AMOUNT:

It's **easier to dispense** the exact amount of product you need.
